April 2019

Dear Parent/Guardian,

Here is the Central FC membership fee request for the 2019/20 season which runs from 1st September 2019 to 30th April 2020.

There is an increase of £16 in fees, to £176, for the coming season. This will be the first increase in fees for at least five years and reflects not only the increasing costs of maintaining and retaining the use of King George V playing fields, but also the general increases in the astro pitch, kit and regulatory charges.

The full membership fee, as set out below, is inclusive of match, registration, training and kit costs:

- Youth full membership fee - £176 per season
- Prompt payment discount of £16 is available, so that if the fees are paid on or before 7th September 2019, the charge is £160.
- Otherwise, if fees are paid monthly, the monthly payment amount is £22.
- Sibling discount of £30 per player for the second and subsequent sibling is available as a deduction from the full annual fee. (i.e. £18.25 per month for second and subsequent sibling if paying monthly).
- Fees for Training only membership - £70 per season

In order to reduce the amount of administration, we request that all fee payments are made by bank transfer as set out below please. Should there be any problem with fee payments, please contact your manager or Belinda Roome, contact details noted above.
